
THE LION LINE

Learn the True, Do the Good, Love the Beautiful

A Message from Headmaster Johnson

Dear Parents,

As we close the year, I wanted to thank you for choosing SJCA as the school option for your children. We take this responsibility seriously and are so grateful for each of you. As we prepare for the arrival of several new teachers next year, we say goodbye to several of our staff and teachers. Ms. Meredith, Mrs. Hermes, Ms. Irizarry, Mr. Siegers, Mrs. McCollum, Mr. Elola, Dr. Gonzalez, and Ms. Kane will transition to different locations, schools, and opportunities. We wish them a fond farewell!

This week, we started the Lions Council, a stewardship organization intended to engage parents in support of the Headmaster, the faculty, and the administration in carrying out the mission of the school. Our next meeting is open to all parents and will be Thursday, June 10th, 4:30 in the cafeteria. I encourage you to be there and to consider joining one of our six standing committees:

- (1) Lions Support Committee- Leandra Cramer (904)571-7549 leandrajramer@icloud.com & Lisa Hong (904)252-9772 zaralyn@gmail.com
- (2) Lions Athletic Booster Club- Tanya Joson, tanya_joson@csx.com
- (3) Fine Arts Booster Club- Cathy Barnes, cathy1922@bellsouth.net
- (4) Write-A-Check Committee- Kendra Chaney, 904-333-6454
- (5) Golf Tournament Committee- Jessica Bork, jessicabork5@icloud.com
- (6) Annual Dinner Committee- Tammi Luke, tammi.luke@stjca.org

Feel free to contact the leaders of these committees. I hope you each have a restful and fun summer, and I look forward to seeing you again in August (or around Fleming Island!).

Sincerely,

Headmaster Johnson

Back-to-School Orientation

Please mark your calendars. Back-to-School Orientation will be held on Friday, August 6th. Headmaster Johnson Renews His Administrative Contract

One would find it nothing less than fitting to describe the Academy’s first three years as the Age of Humility and Perseverance. From our beginnings at Hibernia Baptist Church to the current expansion occurring on our campus, we have all been tested along the way. Through our many sacrifices, our Academy and its mission has reignited our faculty’s passion for teaching, has redefined our scholars’ quest for knowledge, and has earned the admiration of our families and the community.

Therefore, it is not surprising that there was much to celebrate at last week’s Faculty and Staff meeting. While we reviewed the final steps in closing out another successful school year, we also witnessed another significant event: Headmaster Johnson signed his contract, thus renewing his position for the 2021-2022 school year. In Headmaster Johnson, we have received the exemplary leadership the Academy has needed, and we eagerly anticipate the continued growth that is to come.

An Update from the SJCA Board of Directors

Over the summer, parents should expect to see new changes on and around campus. First, we will be welcoming back scholars in August with a newly completed 10,000 square-foot addition that will consist of 12 new classrooms, a conference room, and administrative space. We are very excited about this additional space as we embrace our first senior class. Second, you will see school zone signs and markings installed on CR220 and on Canova Road. After much collaboration with the District and the County, we are finally going to have a school zone with appropriate signage and markings. We are excited about the increased safety this will provide. Also, many of you have asked about crossing guards since we’ve been on campus. We are working with Sheriff Michelle Cook to see what options are available that would help our students cross roads safely. Sheriff Cook is a friend to the school, and we appreciate the collaboration from the Sheriff’s office to figure out the safest solution for our scholars. Stay tuned!

Fourth Grade Art with Mrs. Rice

Fourth graders learned about Gilbert Stuart, an American portrait artist. His best known work is an unfinished portrait of George Washington. It is known as the “Athenaeum” portrait because it went to the Boston Atheneum, one of the oldest libraries in the US, after Stuart’s death. This painting served as the inspiration for the engraving of Washington that appears on the one dollar bill.

Scholars drew the portrait of Washington using the grid method. Then, they used colored pencils to color their drawings. Portraits are difficult to draw. They all did an amazing job.
